“ Mrs. Ellis encouraged my love for reading. I remember reading and giving book reports in front of the rest of the class. I still write letters ,using snail mail and enjoy getting replies. I believe all of her former student's were blessed to have her as a friend, and teacher. I read 2 books a week now that I'm retired. Thank you Mrs. Ellis, hope there are book's in heaven.

“ Pam,
Our class is preparing for our 50th reunion. We were just talking about your Mom and what a wonderful teacher she was. So many years later, our beloved third grade teacher is in our hearts. I hope that her legacy with so many children helps you deal with your loss
