“ It was nice being able to keep in touch with Mary Ellen after she and Thom moved from Baltimore to Delaware. We had some nice phone conversations and even indulged in the old art of letter writing... Mary Ellen was a great cook and I will miss those yummy deviled eggs!! She had a great love for her family and life and will be dearly missed. Rest In Peace.

“ My dear friend for 65 years. Friendship is a treasure rare, a gem of priceless worth. We cannot have unless we share the lovely things of earth. It grows more beautiful with use, 'twill never wear or fade, more precious than a jeweled crown is the friendship we have made. I will never forget you, I miss you, and I love you.

“ My son Burke kept telling me that I had to meet Kevin's mom. He said I would love her and we would be great friends. That was forty years ago and he could not have been more right. I did love her and will miss her forever. She was funny and a great friend with a talent for growing and arranging flowers as well as a natural and wonderful cook. We had so much fun together yardsaling and playing hostess for historical society house tours. She was just lovely.
