“ Ryan you will be missed tremendously. You and father and brother have been a great tradition to me and my boys who you saw grow each year you came to Emersld Isle. I'll never forget the times you spent with Finn helping him locate the mullet coming down the line hoping he would get 5 or 6 in his little net as you diligently passed up throw after throw to see him throw and always had a huge smile on your face. Every time I showed up you always had some cob mullets set aside for me for drum fishing. You'll not be forgotten and each time I go to the beach and load that salty sandy lead in my mouth I'll think of you saying throw low . I'll miss you cap.
