“ She was one of my favorite people, spunky, ornery, and really just wonderful. I was her home aide for the past 8 months. I miss her everyday and will for a long time. They say you're not supposed to get attached but I did and I don't think that's such a bad thing.

“ I will miss you Sandy! You made co-parenting Cody a breeze! We have been a part of each other's lives for 25 years through the good and bad! I know your watching over us and I promise to continue to take care of our boy!
RIP my friend! (PS: Don't forget you have to poke Jerry in the ass and keep him wondering!)
I love you girl!

“ Lots of GOOD memories made with Sandy #2, as she was known here at Golden Meadows. A personality that was bright, even in her dark times. Her positive attitude and ability to laugh at life endeared her to me. Glad she is in heaven, whole again, with no pain and dancing with the angels. Miss you, life won't be the same for a lot of us. Loved you, girl!
